The presentation of "A Soldier of the Empire" at the Washington Opera-house last evening by the Keystone Dramatic Company was witnessed by a fairly good-sized audience, the inclement weather helping many away.

The play was presented in a fitting manner, embellished with special scenery and fine costumes. Miss Shipman and Mr. McGill acted the leading parts in an admirable manner, in fact each and every member of the cast was clever in his or her respective role, and no such a pretentious production at popular prices has ever been in this city. Tonight the protracted meeting of "Sapho" will be produced, the version being one that was especially adapted for stock purposes and for lady audiences, and a good clean presentation of this play is promised. Miss Shipman will be seen as Sapho. No doubt but that there will be a big demand for seats. So you had better secure them in advance at Nelsons, Prices 10, 20 and 30 cents. Matinee at 2:30 this afternoon. Prices 10 and 20.

This will increase the amount of taxes which goes into the State Treasury about \$300,000, and will benefit the counties and municipalities to the amount of about \$70,000.

The roads in this section are assessed as below, the figures of last year being given in comparison with those
